Spiritual, moral, social and cultural development:

The school's thoughtful and wide-ranging promotion of pupils' spiritual, moral, social and cultural development and their physical well-being enables pupils to thrive.

Pupils' spiritual, moral, social and cultural development and, within this, the promotion of fundamental British values, are at the heart of the school's work.

Pupils' spiritual, moral, social and cultural development equips them to be thoughtful, caring and active citizens in school and in wider society.

Leaders consistently promote fundamental British values and pupils' spiritual, moral, social and cultural development.
