

Key

Acute

Obtuse

Right angle

WALT: Recognise and identify acute and obtuse angles (L)

Acute angles are less than/more than  $90^\circ$ .

Obtuse angles are less than/more than  $90^\circ$ , but less than/more than  $180^\circ$ .

Choose 3 colours, fill in the key, then colour the angles as appropriate.

Use a protractor to measure the angles.
